**GET READY TO
BE AMAZED!**

**Welcome to
Ibestad!**

Ibestad municipality consists of the two captivating islands Rolla and Andørja. The islands stand out with its spectacular nature, where Rolla is Norway's most water-rich island and Andørja Northern-Europe's most mountain-rich island.

Here you can experience steep mountains, good fishing, the world's northernmost nature entertainment park, 18 different species of orchids, exciting history and cultural landscape, in addition to one of the country's best preserved trading settlements.
